

ANCASTER HIGH SCHOOL

GRADE 11/12 COURSE SELECTION SHEET

374 Jerseyville Road West

Ancaster, Ontario

L9G 3K8

Telephone: 905-648-4468 ext. 533 Fax: 905-648-8228

- Below are the options that you have for the IB Diploma Programme in grades 11 and 12.
- Please choose one course from each group and indicate HL or SL level (you must have 3xSL and 3xHL courses). ALL students will do ENGLISH – HL. You may choose to substitute your Group 6 course (Art) for a different course from the group 4 subject list.**

(Remember that SL will equate to 2 semesters or 150 hours of class time before writing your exam. HL will refer to 3 semesters or 240 hours of class time before writing your exam.)

- Each semester you will earn an OSSD credit (in brackets) and work toward your IB credit in each of the 6 subject groups of the IB Diploma Programme.
- On the next page there is a 'sample' timetable that will help you visualize your next two years of study within the IBDP and how each OSSD credit will match up with each IB course and the corresponding semester you take it. Our actual timetable will be based on requests from students from our current grade 10 students. Some courses may NOT run depending on student selections and school decisions of what courses can be scheduled.
- THIS IS DUE to Ancaster High School – Student Services by Friday, February 23, 2018**

<u>IB Subject Group and Options</u>	<u>OSSD Equivalent Credits</u>	<u>Student Choice</u> Write in 2 additional HL courses and 3 SL courses below. Be sure to pick at least ONE course from each of 2,3,4, or 5. You can elect not to do a Group 6 IB course and replace it with another Group 4 course.
Group 1 English HL (All students will take Group 1 at the HL level)	HL - ENG3U, ENG4U, ETS4U	ENGLISH HL
Group 2 French B SL (offered at SL level only)	SL - FSF3U, FSF4U	
Group 2 Spanish ab initio SL (offered at SL level only)	SL - LWSCU, LWSDU	
Group 3 History Route 2 (The Americas) SL or HL	SL - CHW3M, CHY4U HL - CHW3M, CHY4U, CHI4U	
Group 4 Chemistry SL or HL	SL - SCH3U, SCH4U HL - SCH3U, SCH4U, SNC4M	
Group 4 Biology SL or HL	SL - SBI3U, SBI4U HL - SBI3U, SBI4U, PSK4U	
Group 4 Physics SL or HL	SL - SPH3U, SPH4U HL - SPH3U, SPH4U, SES4U	
Group 5 Math SL (offered at SL level only)	SL - MHF4U, MCV4U	Only choose Math SL or Math Studies not both
Group 5 Math Studies (offered at SL level only)	SL - MCF3M, MDM4U	Only choose Math SL or Math Studies not both
Group 6 Visual Arts	SL - AVI3M, AWM4M HL - AVI3M, AWM4M, AVI4M	
TOK	HZT 4U	All students will take this course, it is a core component of the IBDP.

Student Name (please print): _____

Parent/Guardian Signature: _____ **Date:** _____

SAMPLE TIME TABLE – POSSIBLE FOR 2018 TO 2020

<i>Semester 1 (Grade 11)</i>	<i>Semester 2 (Grade 11)</i>	<i>Exams May 2019</i>	<i>Semester 3 (Grade 12)</i>	<i>Semester 4 (Grade 12)</i>	<i>Exams May 2020</i>
English A1 HL (ENG 3U1) With TOK	Chemistry HL (SCH 3U1)	French SL	English A1 HL (ENG 4U1) With TOK	English A1 HL (ETS 4U1) With TOK	English HL
Biology HL (SBI 3U1)	Math SL (MHF 4U1)	History SL	Biology HL (SBI 4U1)	Study period	Chemistry HL
History Route 2 SL (CHW 3M1)	History Route 2 SL (CHY 4U1)		Math SL (MCV 4U1)	Biology HL (PSK 4U1)	Math SL
French B SL (FSF 3U1)	French B SL (FSF 4U1)		Chemistry HL (SCH 4U1)	Chemistry HL (SNC 4M1)	Biology HL

Note:

- Each OSSD credit is in brackets below the IB subject. Each semester students will be earning an OSSD credit as they move through the 2 or 3 semesters to earn the 6 IB subject requirement groups.
- Students who complete the entire IBDP will earn both an OSSD Diploma and an IB Diploma.
- Students planning on applying to science based programs at university must consider which areas of science are required for that program. Our IB program will provide opportunities for students to meet admission requirements for :
 - Life Science/Biological Science/Health Science (English, math, chemistry and biology)
 - Engineering Science/Physical Science (English, math, chemistry, physics)
Students who wish to take all 3 areas of science MUST plan on taking one of either physics or biology OUTSIDE of the IB Diploma Program.
- A student's timetable would change if Spanish is their choice instead of French or if they choose HL/SL for history, Biology, or Chemistry. Spanish ab initio must be taught over 2 school years and your exam would be in May 2020, giving you 5 or 6 exams in May 2020.
- This timetable may change after student selections have been submitted, depending on numbers of students registering in IBDP and the courses selected.
- Students deciding to not continue with the IB Diploma Programme will follow the guidelines outlined in the AHS IB Handbook (pages 26 to 28).
- Timetables for Visual Arts students will be determined after we see the enrolment in that subject area and fit it into a new timetable for those students.
