

# UNIVERSITY APPLICATION INFORMATION

**Deadline for University Applications: School Due Date Friday, Dec. 14<sup>th</sup> 2018**

**NAME:** \_\_\_\_\_ **OUAC REFERENCE #** \_\_\_\_\_

## **APPLICATION PROCESS for September 2019**

University applications will be completed on-line. Students may apply at home or on a school computer (payments must be made from a home computer). Tutorials for on-line applications will be offered in November at the school for all students who may be applying to university for September 2019. Students wishing to apply to both College and University must attend both of these tutorials as there are separate applications for college (Ontariocolleges.ca) and university (ouac.ca). In addition, some degree programs are offered by colleges and may require an application through Ontariocolleges.ca.

## **Calculating Your Admission Average**

The Grade 12 courses 4U or 4M I plan to graduate with are:

- |                         |            |
|-------------------------|------------|
| 1. <u>ENG4U</u> _____ % | 6. _____ % |
| 2. _____ %              | 7. _____ % |
| 3. _____ %              | 8. _____ % |
| 4. _____ %              | 9. _____ % |
| 5. _____ %              |            |

I estimate my overall average for my six required Grade 12 credits 4U or 4M (including my prerequisites) will be \_\_\_\_\_ %
