Speaker's Topics

Hamilton's Incline Railways

An illustrated history of the "rise and fall" of Hamilton's two incline railways which existed from the 1890s to the 1930s.

A Nostalgic Look at Picture Postcards

An overview with illustrations of early 20th Century postcards focusing on a large variety of Hamilton-related postcards as well as postcards related to special topics and holidays.

The Development of Elementary Education in Hamilton

A presentation which explores the growth of elementary education in the former Hamilton Board of Education, from the early Nineteenth Century through the time period of 1847-1997. Illustrated with slides.

The History of Strathcona School and Hamilton's West End Community

An illustrated talk which examines the growth of Hamilton's West End neighbourhood close to Victoria and Dundurn Parks from 1850-1985. The presentation includes the history of the old Strathcona School as well as information pertaining to the area's businesses, churches, parks and other institutions.
