1. Meet Structure

In an effort to accommodate all interested schools, the meet is structured into a series of 4 smaller meets. Schools have been placed into "conferences" as part of the restructuring. To provide K-6 schools with an opportunity to participate and include grade 6 students, a conference of K-6 schools has been created. (Please note that there will be some K-5 schools in this meet as well) Events in each of the conferences are the same.

Using the Conference format, dates for the 2017 meets are as follows:

- Blue Conference Monday, June 19 – 9:45 a.m.- 2:00 p.m., **Mohawk Sports Park**
- Green Conference Tuesday, June 20 – 9:45 a.m.- 2:00 p.m., **Mohawk Sports Park**
- Red Conference Thursday, June 22 – 9:45 a.m.- 2:00 p.m., **Mohawk Sports Park**
- White Conference Friday, June 23 – 9:45 a.m.- 2:00 p.m., **Mohawk Sports Park**

*******Raindates are Wednesday, June 21 and Monday, June 26, 2017**

Cancellations as a result of **severe weather** will be announced on local radio stations (CHML, K-Lite) by 7:30 a.m. In addition, schools will be notified via e-mail as close to 8:00 a.m. as possible.

Please have your busses remain at the park in case of inclement weather.

**Prior to the start of each meet, there will be a MANDATORY meeting for coaches
at the Announcer's area.**

**A food concession stand will be open during the meet.

2. Officials

As a condition of participation, each school will be **required** to provide one adult official for the full day of competition.

**If you wish to request a particular responsibility please email Jeff Wright
(jwright@hwdsb.on.ca) with your preference and we will try to accommodate you. For some
events it would be advantageous to have older students helping the adult official. Be raking the
pit for long jump.**

3. About the Meet

The focus of the primary/junior meets will not change from what has been - a participatory event. While the meet will operate as any other track meet - placing/times recorded and meet results produced - the focus will continue to be on involving as many students as possible in a safe and enjoyable track and field experience. Success will be recognized in the form of ribbons for 1st, 2nd and 3rd. In addition, each student will receive a ribbon recognizing his or her participation in the meet. Team scores will not be kept.

Age Categories - Boys and Girls **note -divisions go by grade NOT birth year****

Events

80 metres (100m for Grade 6's)
300 metres
700 metres

4 x 100m relay
Standing long jump (grade 3) Running Long Jump for all others
Softball throw

Entries

- (a) entries are limited in each age/gender group as follows:
- all track events (except relays), long jump, softball throw – 2 per school
 - 4 x 100 relay – one team per school in each age/gender division (ie 1 Grade 3 girls and 1 Grade 3 boys team etc)
 - No individual runner's names are required at registration of relay teams
- (b) each student may enter a maximum of 3 events in any combination (including relays)
- (c) students must compete in the same age group for individual events but may move up one division for the relay
- (d) each school has an additional “3 wild card entries”. These entries may be used for any student in any event **except 80m**. (100m for grade 6) This means you may have a third entry in up to three events. The intent of these “wild cards” is to allow for the exceptional circumstances in a school where a student has trained with the team all season but is not one of the school's regular entries in any event. **These wildcard entries should be entered at the same time as other athletes and in the same manner. Once a student may only enter 3 events.**

4. Notes for Coaches

General

1. Shirts identifying the school must be worn by all participating athletes in all events.
2. Busses should drop students off in the parking lot (and remain for the day in case of inclement weather) east of Bernie Arbor Stadium (baseball) and enter the park via the skateboard park. Upon arrival at Mohawk Sports Park all teams are to find an area to sit around the outside of the track.. **KEEP THE INFIELD AREA CLEAR**- please inform all coaches and parents to stay out of infield. Athletes who are competing in the long jump or softball throw are the only athletes allowed in the infield (no coaches or parents).
3. Bring a clean garbage bag for litter and keep your area clean.
4. It is the coaches' and athletes' responsibility to make sure the athletes go to the marshalling area when their event is called.
5. Make sure athletes come prepared for the weather. There is little shelter, so athletes should make sure they have **hats**, proper clothing, **sunscreen**, etc.
6. Hats and bandanas are not to be worn while participating.
7. Track or soccer spikes or bare feet are not permitted.

Track Events-General

1. No starting blocks or spikes are allowed.
2. Two false starts will disqualify a runner or relay team.
3. Track events take precedence over field events. Athletes who have concurrent track and field events should notify a field event official that they are leaving for a track event & return to the field event as soon as the track event is completed.

80 Meters

1. In the 80 m. runners must run in their assigned lane. A runner will be disqualified if he/she leaves his/her lane. Running out of their lane continues to be a problem-please spend some coaching time on this issue.

300 & 700 Meters

1. The 300 m. (3/4 lap) and 700 m.(1 and 3/4 laps) events will be run from a common curved starting line at the beginning of the backstretch.
2. Runners do not remain in lanes but should be coached to run a straight line from their start position to the inside corner of the first turn (at far end of track) and then as close to curb as possible for the remainder of the race. (An interesting geometry lesson about the shortest distance between two points for all grades).

4 x 100 m. Relay

1. In the 4 x 100 relay **all four runners will run in their assigned lane.**
2. The 20 metre exchange zone will be clearly marked. The 10 metre run-up zone will also be marked. Outgoing runners may use this 10 m. zone to accelerate but the baton must be exchanged in the 20 m. exchange zone.
3. After the baton has been exchanged, runners are to remain in their own lane and not interfere with any other team.
4. After the last runner crosses the finish line he/she must stay in his/her lane and return to the finish line.
5. Each school must bring its own baton, which must not have tape or indentations.
6. Individual runner's names are not required when signing up a relay team.

Long Jump

1. The Standing Long Jump (Grade 3 only) will use a two-foot take-off.
2. Running Long Jump (all other grades) are allowed a run-up. About 25-30 m. should be sufficient for these ages. The jump will not count if the jumper touches the ground beyond the take-off board with any part of his/her body.

Softball Throw

1. The official ball to be thrown is the “Incrediball (SB-SAFE-11)”.
2. Competition balls will be provided at the meet and are the only balls that may be used during the competition.
3. Competitors may take two or three steps in the direction of the throw plus follow through of opposite foot allowed (similar to baseball pitcher’s action) but **both feet must remain behind the foul line.**
4. Athlete must exit to the rear of the throwing area (i.e. cannot fall over the foul line)
5. Distance is measured to the point where ball first touches the ground within the landing sector (similar to javelin landing sector).

4. Entry Procedure

“Meet Manager” will be used for entries/results. **The attached “Entry Procedure for Junior Elementary Track and Field” illustrates the procedure for entering your athletes.** Please read this attachment before trying to enter students.
