Heat Events

The City of Hamilton Public Health Department monitors weather forecasts closely and notifies the media and community partners of a heat event. A heat event occurs when the forecast calls for one or more days with a 40 or higher humidex reading. Once HWDSB has been notified of a heat event, information will be posted on our website and the following precautionary steps will be taken for students:

- Limit physical outdoor activities
- Ensure access to water
- Close drapes and blinds
- Move students through cooler areas of the school
- Monitor students for symptoms of heat stress

DOGS ON SCHOOL PROPERTY

Parents must be aware that according to the Dog Owner's Liability Act Bill 031 Bylaw 12-031, specifically 7.0 and Part 8.0 (effective January, 2012), if parents choose to walk their dogs on school property at entry time and dismissal time, they must acknowledge that they will be held responsible for their dogs' behaviour. Refer to the **City of Hamilton website** for additional information and clarification. Note: Dogs are not permitted in the building or on the grounds during instructional time and nutrition breaks, unless provisions have been made under the HWDSB Administrative Memo: SO-53 (October 2011).

YMCA CHILD CARE CENTRE AT CHEDOKE SCHOOL OPENING SEPTEMBER 5TH, 2017.

Coming Soon

Chedoke YMCA Child Care Centre

A continuum of care for your child

On September 5th, the YMCA will open our newest YMCA Child Care Centre located within Chedoke Elementary School where we will provide vital licensed care for children from 18 months to 5 years.

What Sets YMCA Child Care Apart?

YMCA Playing to Learn Curriculum

YMCA Playing to Learn is a national YMCA curriculum that helps children discover learning through creative play and aligns with primary school benchmarks. Play is the foundation for learning to read and write, and for learning mathematics, science and technology. YMCA Playing to Learn fosters a child's enthusiasm and capacity for lifelong learning making it a key reason parents choose YMCA Child Care.

Quality Assurance

YMCA Child Care operates with consistent best practices and standards across the country. All YMCA Child Care programs are licensed under the Child Care Early Years Act with regular evaluation to ensure quality in Child Care practices. They are also inspected annually to confirm compliance by Ministry standards.

A Continuum of Care for Children

In our new Chedoke location, we will provide a continuum of quality care for children through their preschool years and beyond. Our YMCA Playing to Learn™ curriculum prepares children for their school years. And when your child reaches their kindergarten years and beyond, we're there too, providing before and after school programming right in your child's own school environment.

A window into your little one's day

We make it easier for our YMCA Child Care families to connect to the small moments and big milestones of their child's day, through our **YMCA app - Weemarkable™**

- Follow all your children registered in YMCA Preschool Child Care on one feed
- Direct messaging to and from your child's educators
- Review your child's weekly menu
- Daily educator observations about your child's play, nap and meals
- Integrated with YMCA Playing to Learn curriculum
- Important notifications, such as weather-related closures, sent directly to your mobile device
- Photos of your child engaged in learning
- Add additional followers, such as grandparents, to your child's profile and customize the content they can view
- Completely safe and secure

Weemarkable™
Connecting you to the small moments and big milestones

Registration begins July 3, 2017

Please contact the YMCA Child Care Administrator at 905-317-4942 for registration information.
