Dear Chedoke Community,

Once again, MAD SCIENCE is back at Chedoke!

We are looking forward to our Fall session beginning the week of October 23, 2017.

Our Fall program will be offered on:

Tuesdays starting October 24th to December 12th between 2:50-3:50PM

Please register online at www.hamilton.madscience.org as soon as possible. See below.

Mad SCIENCE

SECRET AGENT LAB

IS COMING TO
YOUR SCHOOL FOR EIGHT WEEKS
STARTING IN OCTOBER

Check out our website for more details

"I just wanted to thank you for giving my children the wonderful "Mad Science" experience. Each week they came home excited and proud of what they had learned and demonstrated their new "science" knowledge. Yesterday they both pulled out their achievement certificates and put them on the fridge - very proudly. Thank you!"

- Karen - Brantford

REGISTER ONLINE

Registration Information

Policies: By registering your child, you acknowledge that you have read and agree to the policies found on our website.

Reminder: Announcements will be made at the beginning of each class to remind all registered children to attend the Mad Science program. We suggest to write a reminder in your child's daily planner to let their classroom teacher know your child is registered and should be attending.

Program Cost: \$98 + HST.

Payment Information: All Major Credit Cards Accepted.

Questions: Please direct all questions to the Mad Science office rather than your school office.

Behaviour Expectations: We are committed to offering a quality program for every child who registers for Mad Science. Your child should be able to interact safely and appropriately with the Presenter, the other children in the class, and the equipment in both group and individual activities. While we will make every effort to assist each child in having a great experience, children who display behaviour that is not within these guidelines may be withdrawn.

Program Details: This fun, safe and interactive course is suitable for Grade 1-6 students. Your children will be working with our professional, trained Presenters. Each class is filled with dynamic demonstrations, tons of hands-on activities and weekly take-homes! If the program is happening during lunch or nutrition break, your child will eat at the beginning of class.

Natural Space 4 Chedoke

Hamilton's Chedoke elementary school fundraising for natural outdoor learning space
Amphitheatre, log climbing structure to be part of \$150,000 project

News Sep 15, 2017 by [Gord Bowes](#) Hamilton Mountain News

Chedoke vice-principal Jo-Ann Corbin-Harper (left), principal Priscilla Mochrie and parent rep Timea Strifler stand in the area of the school they hope to transform into an outdoor learning space. They've launched a fundraiser with a \$150,000 goal.

A transformation is in the works at Chedoke elementary school.

Fundraising has begun for a shaded outdoor learning space, featuring an amphitheatre and log climbing structure, along the whole front of the Bendamere Avenue building.
