Dear Chedoke Community,

2018 Chedoke Elementary Fund-raiser;

Parents we are looking for your support....

On February 8th we began a major fundraising effort selling World's Finest Chocolates. The main focus of this fundraiser is to assist in developing **Maker Space** carts for all students in our classrooms and Learning

Commons, and any other school needs that will benefit all our students.

We are selling a peanut- free variety pack from World's Finest Chocolates. Each assorted box contains

chocolate covered almonds, , mint meltaways, caramel whirls, milk chocolate crisp bars and

chocolate almond bars. *A number of assorted totally nut free boxes are available for those who require them – please indicate*

nut- free below if required. Each item sells for \$3.00. **We chose the \$3.00 products because they offer the highest return to the school - \$1.50 from every item sold remains at the school as our profit. That's \$45.00 profit / box sold!**

Starting February 8th the chocolate will be sent home with each student who has returned the attached permission slip. Our sale will run until **March 1st** so everyone can take advantage of both Valentine's, and the Family Day weekend to sell. Please **return \$90.00 for your box** as soon as your chocolates are sold, or return any bars you are unable to sell so someone else can sell them.) We do appreciate sell outs – your efforts may be very well rewarded - thank you! Additional boxes will be given out upon request when **\$90.00** has been returned for the first box. **Please label your envelopes clearly with your child's name when sending in money .**

*****We have some terrific incentives for our sellers.**

Each complete box sold will earn the seller a ten inch solid chocolate Bunny, plus they will qualify for a chance to win Movie passes for 4 with popcorn and drinks!

Our top sellers (no ties!) will be rewarded as well.

Our TOP SELLER will be awarded to a family pass to

**TERM 1 GRADE 1-8 REPORT CARDS - GO HOME FEBRUARY 13th
and KINDERGARTEN REPORT CARDS—GO HOME FEBRUARY 15TH**

Report Cards will be coming home this week!

This is an important time in your child's school year.

It is an opportunity to sit down, with the report card and discuss it together, as a family.

It is an opportunity to celebrate both the hard work and the achievement.

It is also a great time to set a goal, based on a certain mark or level, that needs some attention.

By setting a goal and speaking to this goal on a daily or weekly basis, the entire family can work together to support the child.

The *School Store* has expanded it's menu!

In addition to both white / chocolate milk (\$1.00) and Kernels popcorn (\$2.00), the store will be selling many flavours of frozen yogurt (\$1.00) and large cookies (\$0.75).

**17th Annual Kyle Hoult Memorial
Food Drive
For Neighbour to Neighbour**

The 17th annual food drive in memory of Kyle James Hoult (son of Lorraine and Jim Hoult) who passed away on March 29, 2001 at the age of 14 years from Leukemia will take place throughout the month of March.

The food will be delivered to Neighbour to Neighbour food bank at 28 Athens St. in Hamilton on Thursday March 29, 2018.

Lorraine and Jim will be at the food bank on that day between 12:00 noon and 2:00 pm. to accept donations for the food bank in memory of their son.

Kyle's wish, at the tender age of six, when he was first diagnosed with leukemia was that "no child should go hungry". Throughout his illness he would visit the food bank with food

donated from many groups, companies, friends and family who were touched by his life and struggle. The support of all these individuals gave him strength to face his struggle with courage and determination. He loved visiting the food bank with the donations and usually visited each week after chemotherapy. It seemed to add a positive aspect to the day for him. The Hoult's would like every individual, who supported this memorial over the years, to know that your continued support is greatly appreciated. Our family invites you to help us remember our son and brother again this year.

Sincerely Lorraine, Jim, Erin and Adam Hoult

VISION WORKS

HWDSB is offering students the opportunity to receive full eye exams during school hours. Every child is eligible for one yearly eye examination covered by OHIP, so this service is offered free of charge. The target of this initiative is children who are NOT CURRENTLY SEEING AN OPTOMETRIST ON A YEARLY BASIS and especially children who have NEVER HAD THEIR EYES EXAMINED by an Optometrist. This service is run by Vision Works, which offers a mobile optometric service that will visit your child's school. The eye exams will consist of the following tests:

- Measuring your child's current vision
- Testing colour vision and depth perception
- Assessing the ability of the eye muscles to work together
- Measuring pupil function and size
- Testing for glasses
- Using a microscope to assess the health of the eye

Vision Works will be coming to Chedoke doing eye testing on February 15, 20, 21st. Your child will be bringing home a permission form on purple paper within the next week to be completed and returned to the school.
