Dear Ms. Mochrie, Staff & Students,

From the bottom of our hearts, we extend a sincere thank you for your continued support of Neighbour to Neighbour Centre, our Foodbank and Emergency Food Department.

Your donation allows us to offer a consistent supply of food to our clients. Your generosity has assisted 1,200 families who access our food bank every month and allows us to focus on serving our clients' needs.

Your kindness makes a vital difference to so many people in our community. Recently, a participant told me "I don't know what my family would do without Neighbour to Neighbour. You always help and when I leave here I always have hope that things will get better for us."

Thank you for making a difference. On behalf of the entire staff, our Board of Directors, our volunteers and the participants we serve, please accept my heartfelt thanks for being part of Neighbor 2 Neighbor Centre. You are a living example of our slogan 'Help is just a neighbour away!'

Thank you for making a difference in your community!

Sincerely,

Denise Arkell
Executive Director
Neighbour to Neighbour Centre Hamilton

An Evening with Dr. Mahoney: Learning about ADHD

Wednesday June 13, 2018 6-7:30pm
Education Centre (20 Education Court)

Dr. William Mahoney is a Developmental Pediatrician who has worked with children and families in the Hamilton area since 1981. He is a Clinical Associate Professor of Pediatrics at McMaster University and works with the McMaster Autism Research Team (MacART). Dr. Mahoney works with children with developmental disabilities, language, learning, and attentional disorders. He will be joining us on June 13 for an in-depth discussion of ADHD. Dr. Mahoney will speak to what is known about why children have ADHD and share information about the treatment of this disorder.

Dear Parents / Guardians,

Below is the organization of Chedoke School for the 2018/2019 school year.

The teachers collaboratively create classes for the best interests of not only your child, but all the students in the grade. Placement decisions represent our best efforts to support student success with consideration made to: classroom dynamics, specific grouping needs (academic, social), matching personalities, need to separate, gender balance, and support services availability.

Parents wishing to put in writing a request for September are asked to do so by May 31st. Requests will be considered, but will not determine the placement for your child in September.
