**A Woman Called Truth by Sandra Fenichel > Genre Non- Fiction**

**Terms**

**Dialogue** is conversation involving two or more people or characters.

**Stage Direction** are notes included in a play to describe how something should look, sound or be performed.

**Task:**

Present this play as a reader's theatre piece. Remember that **readers theatre** involves giving life to the play with the voice, not relying on actions. When you are ready we will be recording your readers play for sharing.
