

Homework Help Registration

Math Help for Grades 7-10 even after school!

1. Get on the site: <http://homeworkhelp.ilc.org>

The screenshot shows the Homework Help website's registration page. The header is blue with the Homework Help logo and navigation links. The main content area is white with a grid background. On the left, there is a welcome message and a 'Play' button. On the right, there is a registration form with fields for Username, Password, Retype Password, and Email Address. There is also a 'Type of User' dropdown menu and a 'Register' button. At the bottom, there are links for 'Register', 'Privacy Policy', 'Terms of Use', 'System Guidelines', 'Report a Bug', and 'Contact Us'.

2. How to register for FREE for after school math help!

- follow the instructions for entering a **username** and **password**.
- you must have a valid **email address**
(this is used to confirm registration and to remind you of your username and password in case you forget)
If you don't have a home email address, you can use your *firstclass* address
(usually first two characters from first name, first two characters from last name and last four digits of your OEN)
- for **type of user**, select "student"...then more boxes will pop up
- first and last names are for reference (in case you forget your username and/or password)
- ACCESS CODE --- enter: HWDSB94309
- select your grade and check the box and click **register**

Once you are in, you will see a notice that the chat rooms might be closed (for now....)
On the left side, there is a list of **resources** that are available 24/7...click on **Best Sessions** to view what some tutorial sessions look like.
