

When Grade 8 graduation came, I was nervous and a bit scared of coming to Delta. Many of my friends told me that I would get stabbed or shot. Most of my friends from Elementary came to Delta with me. For the first month, I mostly stayed with them. Then came the time for basketball and new sports. When I went to tryouts I was a bit nervous because there was a lot of grade 10s, but i kept my cool and eventually made the team. I made new friends through basketball and they have made me feel like I belong at Delta.
