## **Wesley's Urban Ministries**

Thank you very much for the generous donations to Wesley's Christmas and Holiday Store. Your contributions helped to brighten the holidays for many people in our community!

## **Reminders...**

There will be construction on Dundurn St. for a few weeks. The City is replacing the telephone poles along Dundurn. They are using large equipment to do this job and therefore sidewalks may be closed. It may also cause delays in getting to and from school. Please plan accordingly. We ask for your patience during this time.

Students should come dressed for winter with snow pants, boots, hats and mitts as they are outside for Nutrition Breaks.

For Grade 5 students and parents, there is an Information Night at R.A. Riddell for the Sports Academy on January 19<sup>th</sup> at 5:30 p.m.
