

## **Weekly Reminders from Earl Kitchener School...**

### **Tuesday, September 5<sup>th</sup>**

- ✓ First day of school

We recognize on the first few days of school that transitions for students need to be considered. Therefore, on the first day of school the grade 1's and 2's will be organizing into their classes in the gym. Parents are welcome at this time to enter the gym with their child to meet the teacher. The grades 3's, 4's and 5's will be organizing into their classes on the back playground. Parents are welcome to join their child on the back playground to meet their teacher before the bell rings. There will be ample staff available to help assist children to the right classrooms or teachers if parents or guardians are unable to stay. For the rest of the week (September 5th-8th) the playground morning entry will be lenient so parents will be able to walk their child onto the playground and to their line if the student requires it. However, starting Monday September 11th we will be continuing to follow the current playground practice with asking parents to wait in a specific area on the playground.

### **Message from Max's Family**

Thank you so much to the Earl Kitchener community for your continued support of Max's Big Ride. Your generosity is absolutely incredible and we feel extremely lucky to have such an incredible group of people behind us in our battle against Duchenne muscular dystrophy. When we first got Max's diagnosis we felt very alone. That is no longer the case thanks to the warmth we've been shown by the students, families and staff of Earl Kitchener. Thanks so much for once again donating your coins, buying our freezies and supporting our events. We hope you all have a wonderful summer.

Thanks,

Andrew
