SCHOOL ENTRY

Parents are reminded to please use the "sign in" book when you enter the school to let us know you are in the building. The book is located just outside of the office. This is a Safe School regulation and applies to all adults who enter our school.

We ask all parents to wave good bye to students on the playground. This makes for a smoother transition for the students when they enter the school with their classmates.

AGENDAS

The first ten pages in your child's agenda has important information about policies and procedures, as well as, our decision-making model, SOUL. In addition, you can locate important dates for the 2017-2018 school year.

In many of our classrooms, the agenda is the key communication tool between teachers and parents.

PICTURE DAY

Friday October 20th.

PARENT COUNCIL MEETING

There is a lot of evidence which illustrates the importance of parents being involved in their child's education. Attending parent council meetings is one way to share your voice and show your child that you care about their experiences at school.

Parents play a vital role in education. When parents are engaged and involved, everyone- students, parents, families, teachers, schools, and communities-benefits,

and our schools become increasingly rich and positive places to teach, learn and grow.
