

Hi Tracy,

My son is a student at G.R. Allen and my wife and I attended the first Dalewood ARC meeting last week.

I would like to commend the committee for taking on this difficult task.

As mentioned by several meeting attendees, I would also like to request that meeting agenda's and supporting material be posted on the website prior to all meetings. This is the only way that we can provide feedback to our parent reps on the matters to be discussed. Doing this would also go a long way in demonstrating that the process is truly open and public.

Also, would it be possible to obtain contact information for the G.R. Allen parent reps as well as the location of April 28th meeting?

Thanks,
Mike
