  - Finalize Option(s) for Public Meeting #3

# Committee Guiding Principles

# **Guiding Principles for Decision Making**

***Program Offerings***

***Transportation***

***Resources***

***21<sup>st</sup> Century Learning***

## **Principle #1: Program offerings**

- Infrastructure for specialty programs -
  - Art Room
  - Music Room
  - Science Labs
- Accommodations for exceptional students
- Programs for cognitive-needs
- French immersion

## **Principle #2: Transportation**

- Efficient bus riding routes
- Reduced riding times for our students
- The 60-minute guideline seems to be stretched so the guideline should consider other factors that impede the bus staying well within the guideline (e.g. redirection around a country block)

## **Principle #3: Current school resources**

- If students move to a different facility, the current resources should move with the students
  - Playground equipment
  - SmartBoards
  - Computer equipment
  - Science lab equipment
  - Library books
- Costs to cover installation and training of these resources should be included in recommendation

## **Principle #4: 21<sup>st</sup> learning environment**

- Technology needs
- Learner needs
- Large collaboration spaces
- Adequate power-supply and internet connections
- Consideration for how class times overlap and timing of shared resources to ensure the proper quantity and quality of time (e.g. gyms, computer labs)
- Infrastructure and adequate shared spaces
