

WEST GLANBROOK

West Glanbrook, have your say!

For five months, the West Glanbrook Elementary Accommodation Review has involved working and public meetings at which a committee of stakeholders developed an accommodation scenario for Bell-Stone and Mount Hope schools.

Reviews are important to make sure we are efficiently using available space to accommodate students as long-term demand for enrolment changes. The Accommodation Review Committee (ARC) is comprised of parents, teachers and community members.

Important dates in this process are approaching – please take note and have your say.
