- September 5 First Day of School
- September 22 P.A. Day
- October 26 Picture Day

Parents and School Community:

Welcome Back! We hope you had a safe and happy summer.

Once again we will be forming our School Council. In previous years the Elizabeth Bagshaw School Council has been an integral part of your child's education. The school council has provided an opportunity for parents to have input and assist with significant school directions, the daily nutrition program, special events and fundraising.

We would like to acknowledge the hard work and dedication of the individuals who volunteered their time to contribute to the success of the School Council last year.

Nomination forms can be picked up at the school office.

School Cash Online / School Website

Just a reminder to sign up for School Cash Online to make online payments for items such as trips, milk and TCBY. And don't forget to go to **www.hwdsb.on.ca/elizabethbagshaw** to view our school website and get the latest news!

Nut Allergies/Nutrition Policy

Our school is a "nut safe" environment. This means no products should be sent to school that contain any sort of nuts, i.e. Peanut butter, Nutella, Timbits.

Also, since we are a nutrition conscious school, no treats (i.e. cupcakes, cookies, bought or home baked) are allowed into the school. There will be special days which the teacher will inform the students when treats are allowed.

No products will be accepted for birthday celebrations.

School Agendas

School Agendas are for sale at the main office for \$5.00.

This is an important tool to help with communication between you and the classroom teacher.

Pediculosis (Head Lice)

The control of pediculosis is a shared responsibility within the community. Please check your child's head for lice regularly and notify the school if you find head lice in your child's hair so a letter can be sent home with the class to have all parents check their children for head lice (the student's name will not be mentioned).

If your child has head lice, please administer a treatment recommended by a pharmacist or medical practitioner.

Medical Updates

If your child has any sort of medical needs or allergies please visit us at the main office and complete the proper form so that we are aware of the child's condition.

Such conditions would be seizures, diabetes, any sort of food or bee allergy. It is important that our files are up to date.

REMINDER!! Jewellery of any kind (ie. Earrings) is not permitted to be worn when participating in gym class.

Picture Day

Creative School Images will be taking individual photos of all students on ***Thursday, October 26th***. Class pictures will also be taken at this time. Each child will receive a class photo.
