Dear Families,

Happy new year and welcome back to school! We certainly hope everyone had an enjoyable break. In room 30 we are already back in the swing of things and hard at work. This month we are going to be practicing sorting things based on similarities in shape, colour and size as well as making patterns using shape, colour and size. We are also going to be learning about what makes our bodies healthy (like healthy foods) and sick (like germs) and how to keep our bodies healthy. We will continue to practice our letters and sounds and reading in our B.E.A.R. books. Keep working hard at home, it is definitely showing!!

This month for show and share, when your child is star of the day, instead of bringing a toy to show, we would love for students to bring in a family picture. They could share with us about their families and then we would like to hang the pictures on a "family tree" in our classroom. We promise to take good care of the picture and will send it home again in a month or two when we take the family tree down.

Please remember that it is helpful for students to have a change of clothes that can be kept at school in their lockers. If you sent clothes in at the beginning of the year that you would like to exchange for warmer, winter clothes, please send in the new clothes to school with a note and we will happily exchange them for you. It is also helpful for students to have **a pair of shoes that they keep at school** in their lockers. They can wear their boots to school, and you won't have to remember to send their shoes in their backpacks every day.

As the season of runny noses is upon us, we are racing through packages of Kleenex. If you would be willing to donate a box or two of tissues to our classroom we would gratefully welcome them. We also seem to go through a large number of plastic spoons at lunch time for students who don't remember to bring them. Your teachers would also welcome donations of plastic spoons to help supplement our supply! Thank you!

As always, there is a calendar of events on the back of this newsletter. Please note that Friday, January 26 is a P.A. day and there is no school.

Mrs. Mitchell and Mrs. Sciortino and Miss Hill
