Dear Families,

March is here and hopefully it will bring with it some warmer weather. This month is a busy and quick one with March Break and Easter holidays at the end of the month. This month, we are hard at work again. We are working on measurement at school. First we are learning lots of vocabulary such as bigger/smaller, longer/ shorter, heavier/lighter etc. and then we will be learning how to measure things using things like snap cubes and paperclips. We are also going to be learning to retell stories after listening to them. We will learn that we can use the pictures to help and that we should talk about characters and tell events in order. This is something you can practice at home after reading a story or home reading book.

Just a few reminders for parents, with our thanks:

- ⇒ Students should have boots, snow pants, a hat and mittens every day (in their backpacks if they don't need it in the morning) - even if it seems sunny or milder in the morning or the day before. The weather can be deceptive and 40 minutes is a long time to be outside with cold hands or legs. Also our playground gets muddy as the weather warms so boots are important.
- ⇒ Home reading books should come back to school every Monday, Wednesday and Friday for exchange. Poem books come home every Friday for students to practice on weekends and should come back Monday. Library books should come back on Day 1 (but you may send it back sooner and we will keep it in the classroom until then).
- ⇒ Star of the day may bring something for show and share on their day. (You will find names on the calendar for star of the day). This month, we encourage the star of the day to bring their favourite book (instead of a toy) to show and share with the class.

March break this year is March 12-16 during which time there is no school. We hope everyone enjoys the break in routine and enjoys the holiday from school!

Mrs. Mitchell, Mrs. Sciortino and Miss Hill

March 2018

Sun	Mon	Tue	Wed	Thu	Fri	Sat
				1 ☆ Naomi  Day 2	2 P.A. Day No School	3
