### PINK SHIRT DAY!

### COMING THIS SPRING..... SAFEARRIVAL, OUR NEW ATTENDANCE REPORTING SYSTEM

We work to ensure that all students arrive at school safely each day. To improve our safe arrival process, we are introducing a new system this spring that will make it easier and more convenient for you to report and respond to your child's school absences.

SafeArrival allows families to report or schedule a future absence in one of three ways: Website, Mobile App, and Phone.

**An email address is required to log in to SafeArrival and to receive notifications. Accurate family phone numbers and email addresses must be recorded in each student record for SafeArrival to be a success.** Please make sure you complete the blue SafeArrival form sent home with your youngest child ASAP so that we can make sure your information is up to date.

2. App
