From the Principal's Desk...

I can hardly believe that it is already June and we are heading into the last few days of school!

As I reflect on the school year I am very proud of our many great accomplishments and the work that we have done as a school community. I was truly in awe of the leadership our students demonstrated on a daily basis and inspired by the efforts they put into making our school "the best place to be!".

From our school production of the Lion King to our many artistic, charitable and athletic achievements, our talented students continue to put forth their best efforts and impress! Our school staff was instrumental in the planning and coaching of many of these activities - thank you for giving of your time and skills! The generosity and support of the community was also evident with many giving back throughout the year; most recently during our Jump Rope for Heart event where our school raised over \$3300! From the bottom of my heart, thanks for an amazing five months at Flamborough Centre - looking forward to the great things still to come in future years!

As we head towards the last day of the school, I would like to wish everyone a safe and happy summer and I look forward to seeing everyone in September!
