

Volunteer Opportunities

This event was created by the HWDSB Foundation to assist students who have overcome adversity with formal wear free of charge for their proms, graduations and formals so they can attend their special events feeling stylish, confident and proud. The program is organized by a group of compassionate volunteers and funded by sponsors and donors of cash and product. Students are treated with respect, dignity and are assisted by volunteers who are dedicated to supporting students and making the experience an impactful journey towards their upcoming milestone event.

How you can help prior to the event?

The biggest challenge is ensuring our message is heard by students and Hamilton parents and we could really use the help of the entire community to make this a special day for students. Please help by promotion through all channels including emails to your contact list, peers and friends, through social media posts and shares and by doing your own networking for items and/or your own drive.
