Help our children and families in need.

There are no administrative fees so **100% of your donation** is directly supporting a needy student.

The **HWDSB Foundation** is the arms-length charity of the Hamilton-Wentworth District School Board raising funds for the Foundation Student Support Fund to support the mission of the removal of barriers to learning.

The **Student Support Fund** provides immediate support for basic needs or any tools that will level the playing field so all students can reach their full academic potential where barriers exist. The goal of the program is to maintain and encourage greater engagement with education with an ultimate goal of 100% graduation. We support the most vulnerable sector of our community in order to build a stronger future for students and the community in which we live.

The **HWDSB Foundation Gift Catalogue** allows you to purchase essential items that students may require in order to achieve their full academic potential. You are not only supporting our students and providing them with basic care items but you are also impacting their families at such a difficult time of year.

These are perfect gift ideas for teacher gifts, retirement parties, wedding showers, birthdays or holiday presents.

Whether it is your tradition to give during the holiday season or you would like to honour a friend or peer, this is a wonderful opportunity to make a lasting difference in the life of a student.
