# Student Barrier Fund Campaign

**2017-18 SCHOOL YEAR**

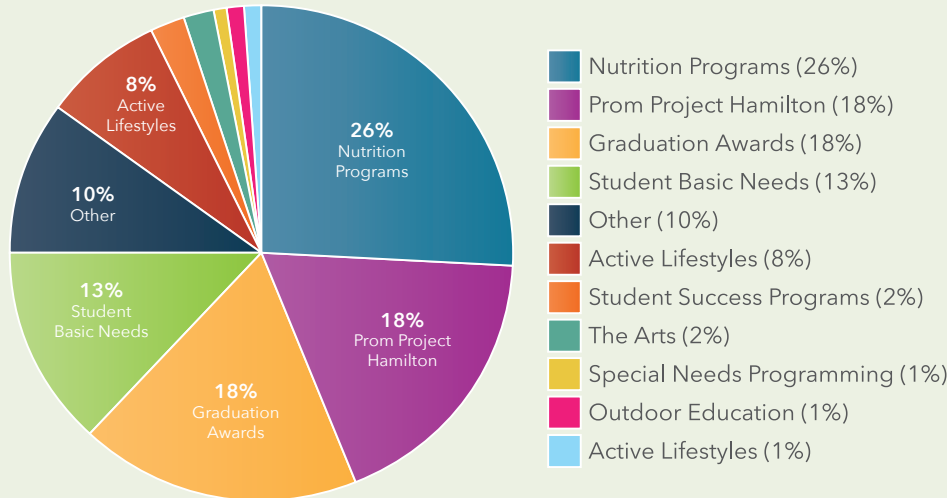

*“Without your funding, my student would not have been able to access a specialized program he so desperately needed. His school year has dramatically improved and he’s on track to having a more positive and successful school year.” - Secondary Teacher*

**Help our children and families in need.**

There are no administrative fees so **100% of your donation** is directly supporting a student.

The HWDSB Foundation issued over \$400,000 in student and school support funding in the \*2015/16 school year.

\*Based on audited results.

The HWDSB Foundation, the arms-length charity of Hamilton-Wentworth District School Board, raises funds for its **Student Barrier Fund** to remove barriers to learning.

The **Student Barrier Fund** provides immediate support for basic needs or tools that will level the playing field so all students can reach their full academic potential. We support the most vulnerable sector of our society to build a stronger future for students and our community.

The **HWDSB Foundation Student Barrier Fund Gift Catalogue** allows you to purchase essential items that students may require to achieve their full academic potential and support our students by providing them with basic care items.
