## Glendale Neighbourhood Food Drive to support students in our community

Donations
will be picked up from your
front porch or steps on

## Tuesday, December 20th 3-5pm

Thank you for your generosity!

## Glendale Neighbourhood Food Drive

Glendale Secondary School Student Council has realized our student body is in need; our school food bank has been depleted of its resources.

Glendale Student Council has delivered environmentally-friendly, paper donation bags to our neighbours with the hope that you will be able to contribute to our student body. Glendale is in need of non-perishable food items, toiletries and gently used clothing.

On Tuesday, December 20th from 3-6pm, students from Glendale Student Council will pick up your donation from your front porch or steps. Please make your donation visible so that we do not miss your generous gift.

If for some reason your donation does not get picked up by 6 pm on Tuesday, please email us at: <a href="mailto:sireland@hwdsb.on.ca">sireland@hwdsb.on.ca</a> with your address and phone number. Volunteers will make every effort to pick up your donation the following day.

Residents who would like to make a monetary donation can donate funds directly to Glendale Secondary School's Food Bank by cash or cheques made payable to Glendale Secondary School. Non-perishable food, clothes and toiletry donations may also be brought to the office at Glendale Secondary School between the hours of 7:45 am and 3:15 pm.

We thank you for any help you are able to provide and hope that with your support we can remove barriers.
