November 20, 2018

Dear Friends of Glenwood,

It is with great pleasure that the Blizzard committee writes to you on behalf Glenwood Special Day School. Glenwood is a small school in the Hamilton Wentworth School Board, which provides specialized learning opportunities for exceptional students with varying special needs. The students and staff work tirelessly to project a positive message of student potential and possibility within the community. We provide small class settings and an enabling environment which offers individualized programs as well as group activities for our students.

On December 20th, our students and staff participate in our annual Christmas Shopping Spree. This affords students the opportunity to purchase items of their own choice in an environment that is conducive to their required needs. Many of these students would not have an opportunity to go shopping for gifts themselves. Also students and staff have the opportunity to enter draws to win special prizes. Funds raised help support purchasing specialized equipment and special events for our students. If you could assist with a donation of a gift card or merchandise of any monetary value, it would go a long way in supporting our students and their programming. We will also mention your company publicly on our schools twitter, and in our Newsletter. We would like to thank you for considering this opportunity to support our students during this remarkable day.

If you have any questions about our school or programs, please feel free to contact the school at the above address or email address below.

Thank You,

The Glenwood Blizzard Committee,
Melissa Flynn, Heather Atkinson-Rossi, and Nikki Chatelain
Educational Assistants, Glenwood Special Day School
