#### **Water bottle/T-shirt fundraiser:**

- Seems to have gone well. Jackie still totaling and will have an update at the next meeting.

#### **Other Business:**

- Yearbooks – Robin Wilson was going to come in and talk to us but could not make the meeting. She will present to us some of the options we have that we could do. One option is a book where we upload pictures and print out a book.
- Robin also offered to do a Fun Fair booklet where people can advertise within as an additional fundraiser for the Fun Fair.
- New Principal Survey – Jackie will email out to the group and we can fill in and send back to her. School Council has also done a Principal Profile. John suggested we get a copy of that and add on to it so we submit one document. At the end of October there was a deadline for applications and there has been good interest for Greenville School. John is hoping we will have someone to announce by early December. John's last day is sometime before the Christmas holidays.
- There is an opportunity for the Samko & Miko Toy Warehouse where if people shop Dec 3<sup>rd</sup> to Dec 7<sup>th</sup> or Dec 10<sup>th</sup>-14<sup>th</sup> and get a stamp on their bill, Greenville School will get 10% of anything purchased – Colleen coordinating letter to go out with advertisements

#### **Next Meeting:**

- Tuesday December 9th, 2008 at 7 pm Social (location still to be determined)

**Meeting Adjourned:** 7:42 pm
