

Transportation Information for Potential Highland Students

Are you in or out of Highland's Catchment?

To determine whether or not you are in Highland's boundaries for bussing, go to www.hwdsb.on.ca ➡ Schools ➡ Transportation Information ➡ Am I Eligible for Bussing?

- a. If you are **in catchment**, you will be provided with a bus if you meet criteria – the elementary criteria is different than secondary, so there may not be a bus provided depending on the distance from your home to the school. See the board website for details.

- b. If you are **out-of-catchment**, please complete an Out-of-Catchment form to submit with the option sheet. Please note that bussing is not provided for Out-of Catchment students. Parents must be able to provide the transportation for their students who are out-of-catchment; however, Courtesy Transportation may be provided from a bus-stop nearest your home if there is room on that bus in September. You may fill in a Courtesy Transportation form in September.
