BOARD

Is your child going to high school and getting ready to choose their courses for 2010-2011?

Access these online tools for you to work with your child to find their pathway to graduation.

Parents & Guardians

More Ways to Succeed

HWDSB offers more ways to help your child succeed in high school. Graduation is in their future and HWDSB has the pathway program that will get them there.

www.hwdsb.on.ca/graduate

Secondary Course Calendar

Parents can help their child choose course options for next year using the Secondary Course Calendar, which lists course codes, descriptions and special program delivery options.

www.hwdsb.on.ca/coursecalendar

HWDSB's Program iGuide

Students can use the interactive guide to move through web pages that showcase HWDSB's Programs of Choice and Specialist High Skills Major initiatives – two program options that will help a student prepare for graduation and beyond.
