From the Principal's Desk

Happy Spring! It is hard to believe that April is here already. Hopefully the winter weather is behind us and the warm weather brings renewal and energizes us all!

April will be a VERY busy month once again at Janet Lee. We are joining Canada on 'National Day of Pink' - wear pink to school on April 13th to show that you say 'no' to bullying in our school and community!

April 14th will bring the beginning of our annual **Jump Rope for Heart** community Fundraiser. Janet Lee is known for it's amazing contributions to

the Heart and Stroke Foundation each year. This year our Jump Rope event will be held on April 29th from 1:00-2:30.

April also brings back **Janet Lee's Got Talent**—our annual talent show. On April 26th, the students will be showcasing their talent in the gym for students and families. Please watch for more details to come home soon, we hope you can join us. We also hope you can join us for our monthly celebration assembly on April 29th at 8:10 and our last Community Movie Night of the year in the gym at 6:30. Both events provide

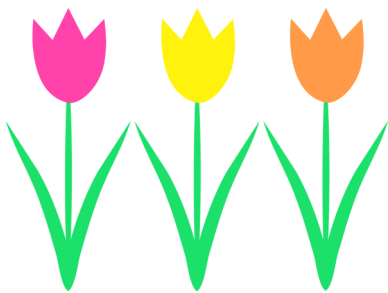

a great opportunity for you to come out and join the community to celebrate and have fun!

This month we are also finalizing our plans for the **Annual Fun Fair** which will be on May 14th. Over the next few weeks you will receive letters from myself and School Council regarding any support you can provide to make this event a successful one. Please call the office if you have any questions about the letters that came home or wish to provide support in the way of volunteering some time at the Fun Fair, donating a silent auction item, or be-

ing a vendor for the day. Last year's fair was amazing and this year's fair can be even better with your support! I want to thank the School Council for all of their hard work and dedication to the school community!

As always, please check the website often for updates on events that are happening at our wonderful school.

Have a great month,
Mrs. J. Anderson

Acts of Green

April 22nd is Earth Day! Our Acts of Green Team would like everyone to celebrate the month of April by participating every Wednesday with a litterless lunch. We will also be having students help to clean up our school community by collecting garbage left behind from our long winter. Thank you, as always, to the many students who make up the Acts of Green Team. We will be having a celebration soon to show our gratitude for all your efforts!

Jump Rope for Heart

This year our Jump Rope event will be held on April 29th from 1:00-2:30. During this time all students will have the opportunity to join on the back playground for 2 periods of physical activity to raise funds and awareness for The Heart and Stroke Foundation. Raising funds will also provide the opportunity for your student

to win some cool prizes for themselves as well as support The Heart and Stroke Foundation in their many community programs. At Janet Lee we have recently seen the benefits of these programs with the installation of an AED outside our gym.

This automated defibrillator was made possible because of all of the efforts of the students and staff at Janet Lee during our annual Heart and Stroke Foundation event. Thanks JL community for your continued support!
