From the Principal's Desk

WOW! November is already here! Thank you to the Janet Lee community for another great month.

A big thanks to the school council for getting our milk and pizza days up and running. I am sure you can appreciate the amount of work the school council puts into organizing all of the orders for students in the school. If you would still like to order milk or pizza please let the office know. Toonie Tuesday is also up and running!

This means popcorn or frozen yogurt will be sold on Tuesday's for \$2.00!

At the time of writing this newsletter, job action has escalated for our teachers. This means that no extra-curricular activities will occur in the school both during the day or after school. For Janet Lee this means that Volleyball, Swimming, as well as Recycling and Craft Club will not occur. Our teachers are in legal job action and we must respect their

decision not to organize these activities.

Also, due to the labour action, we will postponing Grade 1-8 progress reports and Kindergarten observations at this time. Please watch for any updates posted on the Janet Lee and HWDSB websites. As always, if you have any questions about how your child is doing, you may contact his or her teacher.

Please see the November events listed below and check our website for updates!

Have a wonderful November!

Acts of Green

Our Acts of Green Group had another amazing start to the year with many members joining our team! Each member has been assigned to a specific area of the school and every Wednesday and Friday during first nutrition break they are responsible to collect all paper and plastic recycling. We are very proud of each and everyone's outstanding effort and have received many compliments on their hard work and dedication.

It's great to see our proud students making a difference.

At the time of this newsletter, Acts of Green Club has been put on hold due to the job action. We will inform the students of any updates as soon as possible.
