A MESSAGE FROM THE PRINCIPAL'S DESK

The sun is shining and the trees are blooming– Spring is definitely here! With this comes an increased amount of outdoor play and outdoor Physical Education classes for all students. Please remember to wear/send sunscreen to school, as well as hats and any other clothing your child may need to protect them from the sun!

This month is looking like another VERY exciting month! May brings many events including our week of celebrations -Education Week! This year for education week we will have an Open House on May 10 as well as our Annual Community Fun Fair on May 12.

A big thank you to all of the parents and especially Mrs. Duncan for all of the planning that has gone into the Fun Fair. It is looking like it is going to be another great event for Janet Lee. Kelsey's will once again provide BBQ items at both of these events for families to purchase.

May also brings EQAO– provincial testing for our Grade 3 and Grade 6 students around the province. The Grade 3 and Grade 6 teachers have been working hard supporting all students as we prepare for the testing which takes place May 22-June 4 in those classrooms.

May also brings our FDK orientation evening on May 22 from 5:30-7:00pm. This is a chance for all of our new kindergarten students that will be joining us in September to come out and visit Janet Lee and meet the kindergarten staff. If you haven't registered your new kindergarten student for school in September yet, please come into the school as soon as possible to complete this process. We are looking forward to meeting all of our new kindergarten students!

Have a great month!

Mrs. J. Anderson

PARENT VOICE SURVEY

Hamilton-Wentworth District School Board (HWDSB) invites parents, guardians and caregivers to participate in a Parent Voice Survey to share what you think HWDSB is doing well, and how might HWDSB improve its education services.

Parents, guardians and caregivers play an important role in HWDSB and we value your opinion. Your feedback helps us make decisions about how we deliver school services for students.

HWDSB has made a commitment to partner with its parent/guardian and caregiver communities, and to work together to help students learn and grow to their full potential.

This survey should take no longer than 15 minutes to complete. There are no right or wrong answers. All data collected in this survey is anonymous and combined as a group.

You can find the survey online at <http://bit.ly/HWDSBParentVoice>

Thank you for taking the time for this survey and helping HWDSB with your feedback.
