### A MESSAGE FROM THE PRINCIPAL'S DESK

*Goodbye May,  
Hello June!*

It is hard to believe that June is already here! With the Summer fast approaching I want to take this time to give a BIG THANKS to all staff, students, and families at Janet Lee for making the 2017-18 school year an amazing year! It has been a phenomenal year here with many great events, achievements, and opportunities.

June brings home Provincial Report Card 2. On June 25th, all K-7 students will receive their report card along with a letter outlining their class placement for September 2018-19. On June 28th, students will visit their new classrooms and meet their new teachers for their 2018-19 school year. Please know that many factors are taken into consideration when we are building classes for the school year including the social and academic needs of all students. On top of student needs, we must ensure that all Ministry of Education class size requirements are met at the school level. Due to the many factors impacting class building, no changes to class placements will be made at this time. Thank you for your understanding as we work to support your children.

June is looking like a very exciting month here at the school. Please continue to check the website for updates to the calendar.

Enjoy a safe, relaxing Summer with family and friends. We will see you all on SEPTEMBER 4th!

*Mrs. J. Anderson*

May was a very busy month for athletics at Janet Lee. It began on May 4 with the Senior Swim meet. This was a very successful meet for Janet Lee, resulting in a number of individual top 3 placements, as well as a few overall banners! Next up was the Ice Hockey tournament held at the Quad Pad. Fifteen students in Grades 6, 7 & 8 got to showcase their hockey skills. Although we didn't win the tournament we played hard and showed great teamwork. The next sport was Water Polo. Apparently we are very good at Water Polo and were undefeated in the tournament! Soccer was next for the Senior Girls' and Senior Boys' teams. Each team played in their respective tournaments at Glendale High School. There was tough competition but the teams held their own and looked stellar! Both teams are looking forward to the co-ed tournament on June 5.

On May 22, five students competed in a Golf tournament held at Flamborough Hills Golf Course. It was a wet day but the students had a lot of fun and we even had one student, Mallory Mackesy, place 2nd! The month ended with our Ultimate Frisbee teams playing in a tournament at Saltfleet. We took 2 teams to the tournament because we had so much interest in this fast-paced sport. It was a gorgeous day and our teams looked incredibly strong, finishing first and second! Great Job to all of the athletes and a Big Thank You to all of the coaches for all of their hard work. Go Jaguars!

## HEAT EVENTS

The City of Hamilton Public Health Department monitors weather forecasts closely and notifies the media and community partners of a heat event. A heat event occurs when the forecast calls for one or more days with a 40°C or higher humidex reading. Once HWDSB has been notified of a heat event, information will be posted on our website and the following precautionary steps will be taken for students:

- \* Limit physical outdoor activities
- \* Ensure access to water
- \* Close drapes and blinds
- \* Move students through cooler areas of the school
- \* Monitor students for symptoms of heat stress

## **What Happens Next Year?**

With the support of School Cash Online, we're making paying for school related expenses easier.

You can now make online payments through our school website or by using your credit card. This is a win/win by making it safer and more efficient for everyone by reducing the amount of cash and cheques coming into our school.

While parents will still have the option to send cash or cheques for school related expenses, we encourage you to get on board with our new service and register today and begin receiving notifications by email.

If your child is moving to another HWDSB school in September, by registering now, your payment history and registration will move with you to the next school.

The end of the school year is only a few weeks away. Rest assured, any unused funds in your School Cash Online MyWallet account will continue to be available to make purchases at the start of the school year in September.

For parents/guardians who have already registered on School Cash Online, you will not need to re-enter your child's PIN codes after the initial setup, even if your child is moving on to another HWDSB school.

Not receiving emails about items available to purchase? Upon your next login to School Cash Online, check the "My Account" tab and that you have consented under "Manage Email Notifications" to receive payment notices and reminders. Need help? Call the Parent ***Help Desk at 1-866-961-1803***
