March 2018, Volume 7

From The Administrative Office

I want to personally thank the wonderful staff, students and you parents/guardians of the Lawfield Elementary school community, for the warm welcome to the family/team. Ms. Moules and Mr. Patton have set the bar high and have set the proper conditions for the success for all. I am looking forward to working with you and your child, getting to

know our students and continuing the work that has been started.

Ms. Moules and I will continue to work with the staff to support goals for students reading by the end of Grade 1, improving our math problem solving skills, positive attitude and creating a respectful learning environment. On March 2nd, our staff was engaged in math professional learning activities and focus on our school culture.

We expect our students to continue to shine at Lawfield. We have many opportunities for students to excel in and outside of the classroom. We appreciate our students and staff for being wonderful ambassadors of Lawfield when they visit other schools and educational excursions. We are very proud of our school!

Kindergarten registration has started. Please see the top of page 2 for more information and contact the school if you have any questions.

Thank you for your continued support!

New School Website

Lawfield School has unveiled its new school website on March 2, 2018. This represents the first significant update to the look of our school website since 2013. School websites in HWDSB are being enhanced to improve the standards associated with the Accessibility for Ontarions with Disabilities Act (AODA). Websites will be easier to navigate from mobile devices, display standardized icons for accessibility, offer larger font size and place a greater emphasis on the search function, to name some enhancements.

Kindergarten Registration

If your child is four or turning four before December 31st, you may register them for Kindergarten. Please register online at [https://registration.ca.powerschool.com/family/gosnap.aspx?](https://registration.ca.powerschool.com/family/gosnap.aspx?action=100000017&culture=en)

action=100000017&culture=en

Proof of age and Proof of address will be required by the school to complete the registration. If you have any questions regarding the online registration procedure, please contact the school office.

We would like to thank School Council for sponsoring and organizing our annual Dance-a-thon fundraiser in the gym on March 1st. All money raised will go towards supporting the students and school. This year, all proceeds will be used to support Grade 8 Graduation, educational excursions, school clubs, and other items that support our school goals of reading, math and positive school culture.

A special thank you to all our volunteers who made this event possible. We would like to thank all our parents for your generous support for this event.

CALLING HOME DURING THE SCHOOL DAY

Students needing to call a parent during the school day are asked to do so at the office and not on their cell phones from another location. Our Office Administrators must speak with a parent directly to receive permission for a student to go home. Please remind your child of this procedure.

Free Access to the Virtual Immersion Campus for Your Child

Dear Parents,

Your children can now access the Virtual Immersion Campus and receive help from our online teachers in French, English and Math.

Send your homework to: homework@voilalearning.com before accessing the platform. Your children can also practice their French and play French games on the platform (riddles, pictograms and much more), all while earning points.

To register to the Virtual Immersion Campus:

- Visit voilalearning.com, click on 'My school board is registered'
- Enter the code: 48HWDSB

The Virtual Immersion Campus will be open **Monday to Thursday** from **5pm to 6:30pm** for homework help and from **6:30pm to 8pm** for French practice.

Please do not hesitate to contact us if you have any questions,

Your online tutor,
