

# Beinvenue à décembre!

## WHAT'S GOING ON:

Welcome to another exciting month in Rm 12! We have been working hard in class to create sentences using new clothing vocabulary we have been learning. We have also started to explore further the different ways small items can be sorted. You can support your child by challenging them to sort household items in different ways.

The children were excited to bring home their new word sound work (Brille la Chenille, yellow duotang). We will be working on a new sound every week moving forward and this will be their homework most Fridays. Later in the new year, we will begin word study tests to support this sound learning.

Red song and poem duotangs will continue to be sent home on Wednesdays to practice along with our nightly reading homework. Thank you to everyone who has been diligent about this practice; I know it can be tricky to find time sometimes, but it really makes a difference when children see their efforts reinforced at home.

I m looking forward to seeing everyone on Wednesday. I know the children are looking forward to showing off their classroom! :)

Thank you to everyone who has responded by bringing in a new white sock and ziplock bag of rice. Please send in these items by Wednesday if you have not already to prepare for our holiday craft.

Our Book fair will be on December 16-18th. Parents will be invited to come from 3:15-6pm on December 16th and 17th, or they may visit after the Holiday concert on Friday, December 18th.

We have been working hard to prepare for our Winter Concert, I hope many of you can make it out on Friday, December 18th. In addition to the concert, we will be having our class celebration on the 18th as well. Be prepared for children to be asking if they can bring an item to share. Any contributions are appreciated including beverages, fruit and veggies, plates and cups, other snacks. I will ask children to volunteer and check at home if they are able to bring items they suggest so that we can be sure to have a good mix.

Thank you as well to everyone who has volunteered to help us on our trip. We have many people joining us and it should be a great time! Please send in permission forms and funds (or pay online) at your earliest convenience if you have not yet done so. We will continue to accept forms all this week.

Please continue to send in your generous donations for our food drive supporting the Living Rock. Thank you so much for your help with this initiative. We are also collecting warm clothing for Syrian refugees through Wesley Urban Ministries during the lead up to the holidays. Any support is greatly appreciated.

I hope everyone enjoys their time off together this holiday season.

Thank you so much for your ongoing support!

Mlle Mizzi
