

The background features several colorful illustrations: a pair of socks with pink, blue, orange, and green stripes; a pair of mittens with blue, orange, and green patterns; and a ball of orange yarn with a pink heart on a blue string. The text is centered over these illustrations.

# *Share the Warmth this Winter*

During Mrs. Price's Grade 3 assembly, the students introduced our "Millgrove Gives Back" initiative. After an inquiry on poverty, the students realized that there were many people with needs in the Hamilton area. We decided to support a local school and hold a "Sock and Mitten Drive" for the month of November. Please help us keep these students warm this winter by donating new or gently used socks and mittens! Each student will get their name on our Millgrove Gives Back Tree with each donation they bring in.

## *Millgrove Gives Back!*

Thank you in advance for your support!
