## Principal's Message:

We are nearing the end of the month and the next few weeks will be incredibly busy.

**Run-a-thon.** I want to thank our school council members and parent volunteers for their efforts and time at organizing our Run-a-thon. The perfect weather was complemented by a true community of people working together to support our amazing students. We are having an assembly on November 6th to celebrate Run-a-thon, award prizes, show the slide-show of pictures, and three students will be throwing different types of pies at my face!

**Progress Reports.** The progress reports are coming home on Monday and there are opportunities next week to meet with staff to discuss your child's progress.

**Nut-free products and Hallowe'een.** Hallowe'een is always an exciting time for everyone and I want to send a gentle reminder to be extra careful about bringing any candies or treats to school. This is a **nut-free** school and we have school participants with severe allergies. Student and staff safety is always our first priority and we can never lose that focus even for a minute. Please continue to double-check that products coming to school are **nut-free**.

**Emergency Forms:** I am also attaching a revised Emergency Closures form for you to fill out. I sent one out earlier but I needed to improve it so I apologize for this.

**Remembrance Day Assembly.** We are having our Remembrance Day Assembly on November 10th in the morning. We will honour, remember and recognize the sacrifices that our men and women made and continue to make. For me, this is the most important assembly of the year. It will be a full-school assembly and we will have some seating available for parents and guardians to join.
