CONSTRUCTION AND TRAFFIC SAFETY

Please keep in mind that once the construction begins this month, the traffic congestion will increase during pick up and drop off times.

With this fact in mind, please remember to follow these guidelines:

- ✓ Drive and Park with extreme caution. We have nearly 500 students who need to get home safely.
- ✓ Please help our school bus arrivals and departures by honouring the drop off and pick up zones.
- ✓ If you are driving a car to drop your children off please do so from a location that doesn't impede our buses.
- ✓ Do not park in No Stopping or No Parking areas.
- ✓ For cars parking on the west side of Hummingbird Lane please park in the correct direction.

RABIES AWARENESS

As weather warms up you and your family may be spending more time outdoors. And with that, it is important to understand rabies and how to protect your family!

Rabies is an infectious disease that affects the central nervous systems of humans and other mammals. Any warm blooded animal can get rabies, including humans. **Rabies infection is almost always fatal unless treatment starts before symptoms appear.**

In Ontario, the rabies virus is mainly found in and spread by: bats, skunks, foxes, raccoons, and coyotes. Rabies can be spread from wild animals to domestic pets including cats, dogs and ferrets through bites and scratches. Humans are at risk when bitten or scratched by infected wild animals or infected domestic pets.

TIPS TO PREVENT RABIES:

- ✦ Vaccinate your dogs, cats and ferrets against rabies
- ✦ Spay or neuter your pets so they're more likely to stay home
- ✦ Keep your pets away from wild animals
- ✦ Don't touch or play with wild animals

Call Hamilton Animal Services at (905) 546-3433 if:

- ⇒ You see a wild animal acting strangely near people
- ⇒ You find a bat in your home and human contact may have occurred

If you're bitten or scratched by any pet or wild animal:

Wash all animal bites or scratches with warm soapy water,

And **Report all animal bites or scratches to Hamilton Public Health Services**

Rabies is 100% preventable if we all work together. Follow the tips listed above to help reduce rabies.

PREPARING FOR THE 2016-2017 SCHOOL YEAR

As this school year comes to an end we are in the process of preparing classes for our students as they transition into the next grade.

The 2016-2017 school year will see more than half of the classes in the school being "split grade" classes (these are single classrooms in which two grades are taught). These classes have always worked very well at our school.

Our class building gives very careful consideration to making sure your child is placed in the class where they can achieve their very best.

Your child's class for the 2016-2017 school year will be sent home with their June report.

As has always been our school policy, classroom placements will not be changed.

2016-2017 SCHOOL COUNCIL ELECTIONS

Just a reminder that the School Council Elections take place every September. This year they will take place at the end of the Meet the Teacher Open House on **Thursday, September 15, 2016.**

Please watch for more information to come home regarding the Nominations with the September School Start-up package.

GRADE 8 SUMMER PROGRAMS

Reach Ahead- July 5-29, 2016 ... 8:30 am to 2:30 pm

Current Grade 8 students can take a Grade 9 credit course at one of the summer school sites in art, physical education or digital media

AUTOMATED ATTENDANCE CALLS

Automated calls are going home around 9:30 am each morning to the homes of the students who are absent.

This system is helping to free up our PJ North phone lines and is increasing our office productivity.

Please remember that it is extremely important that you call the school whenever your child is absent or if they are going to be late due to a medical appointment, etc.

ATTENDANCE

Thank you for calling in to let us know when your children are home sick.

This helps keep our school attendance up to date and lets us know that your child is at home, safe with you.

Regular, punctual attendance will set your student up for the perfect learning condition.

SCHOOL CASH ONLINE ... Payment Option

With the support of School Cash Online, we're making paying for school related expenses easier.

Effective immediately, you'll be able to make online payments through our school website.

This is a win-win for everyone as it makes paying for trips, etc safer and more efficient for everyone by reducing the amount of cash and cheques coming into our with students.

While parents will still have the option to send cash or cheque to the school to pay for school related expenses, we encourage you to get on board with this new service. More services will be available online in the fall of 2016.

HOW TO REGISTER

You should have received a customized PIN code on a flyer with instructions from your child's teacher. Please contact the school if you have not received this information or it has been lost. Once you receive your PIN code, it's as easy as 1, 2, 3!

Step 1: Go to the link on our school website or by visiting <https://hwdsb.schoolcashonline.com>

Step 2: Register by selecting the "Get Started Now" and following the steps

Step 3: After you receive the confirmation email, please select the 'click here' option, sign in and add each of your children to your household account.
In order to complete this step, please have the personal PIN code labels for each student provided by your school on hand.

If you have any problems with the registration process, the **parent help desk is available 24/7 by calling 1-866-961-1803 (toll-free)** or by email at parenthelp@schoolcashonline.com.

SCHOOL CASH ONLINE ... WHAT HAPPENS NEXT YEAR?

The end of the school year is only a few weeks away. Rest assured, any UNUSED FUNDS in your School Cash Online MyWallet account will continue to be available to make purchases at the start of the school year in September.

PIN CODES: For parents/guardians who have already registered on School Cash Online, you will not need to re-enter your child's PIN codes after the initial setup, even if your child moves to another HWDSB school.

Not receiving emails about items available to purchase? Upon your next login to School Cash Online, check the "My Account" tab and that you have consented under "Manage Email Notifications" to receive payment notices and reminders.

NEED HELP? Call the Parent Help Desk at 1-866-961-1803.

From Public Health Fun in the Sun!

Tips for a Happy Healthy Summer

The warm weather is fast approaching and many people will be spending more time outside. We should all be wearing sunscreen daily, even through the winter months, but it's extremely important during the summer months.

Here a few sun protection tips to keep in mind:

1. Limit the amount of time spent outdoors between the hours of 11 am and 4 pm, especially between noon and 2 pm when the sun is at its hottest.
2. Use a broad spectrum sunscreen with an SPF of 30 or higher. Apply to all exposed areas of skin at least 15-30 minutes before going outdoors and then reapply every 2 hours after that.
3. Remember to use a water resistant, sweat resistant or sport sunscreen with an SPF of 30 or greater. If you are involved in swimming or physical exercise where you sweat a lot, reapply sunscreen after getting out of the water.
4. Wear loose, lightweight clothing that covers as much of your body as possible.
5. Wearing a wide-brim hat and sunglasses should also be part of your daily outfit.
6. Try to keep in the shade as much as possible. Try the shadow test ... If your shadow is **SHORTER** than you it's time to go inside or seek shade.
7. Protect your lips with a broad spectrum lip balm with an SPF of 30 or higher.
8. Protect yourself even on cloudy days since most of the sun's rays can penetrate light cloud cover.

Make Sun Protection part of your family's everyday routine. Keep sun protection items: sunscreen, hats, and sunglasses in a handy convenient place such as a basket by the front door. Place bottles of sunscreen in backpacks for school. Create a sun safe environment in your backyard with shade trees, tents or umbrellas.

HEALTH AND SAFETY DURING A HEAT EVENT

A heat event occurs when the forecast calls for one or more days where the humidex reading is 40 or higher. The City of Hamilton Public Health Department monitors weather forecasts closely and notifies the media and the community partners of a heat event.

Once HWDSB has been notified of a heat event, information will be posted on our website and the following precautionary steps will be taken for students:

- ⇒ Limit physical outdoor activities
- ⇒ Ensure water is available
- ⇒ Close drapes and blinds
- ⇒ Move pupils to cooler areas of the school
- ⇒ Monitor students for symptoms of heat stress

For more information, or steps you can take to reduce risks during heat events, please visit the following websites:

REMINDERS

"NO SMOKING POLICY"

Just a reminder to Parents & Guardians that **it is illegal** to smoke anywhere on school property.

SAFETY ON SCHOOL PROPERTY

As a safety precaution for everyone at PJS, **roller blades, skateboards, scooters and heelys** are not to be used on school property and **should NOT be brought to school**. Should any of these items be brought to school, it will be necessary for them to be **stored at the office for the day**.
