

NOTICE PUBLIC INFORMATION SESSION

Hamilton-Wentworth District School Board (HWDSB)
Property Disposition Procedure

Session Date: Wednesday, June 14, 2017
Pauline Johnson School - Gymnasium

SUBJECT LANDS: Cardinal Heights School **70 Bobolink Rd., Hamilton**

The school site located at 70 Bobolink Rd. in the City of Hamilton is approximately ± 1.70 hectares (± 4.20 acres) in size with ± 160 m (± 526 ft.) of frontage along Bobolink Rd. and ± 99.6 m (± 327 ft.) of frontage along Hummingbird Lane. Adjacent land includes a JK-8 Elementary School to the south, residential dwellings and parkland to the east with additional residential units to the north and west.

The HWDSB adopted a resolution declaring the Cardinal Heights School lands surplus to the Board's needs and authorized Administration to sever and dispose of the surplus property in accordance with Ontario Regulation 444/98. Under the Board's Property Disposition Policy 3.12 and as a professional courtesy to the public, HWDSB's administration staff will be holding a Public Information Session to inform the local community and interested parties of the requirements and procedures the Board must adhere to when disposing of surplus property.

Why Sell the land?

While the Ministry of Education provides funding for the construction of new schools, there is still a substantial contribution required by the Board. The selling of surplus property is the Board's primary means to generate revenue in support of funding their ongoing capital projects.
