

HWDSB Congratulates the 2009-10 Graduating Class of the Ontario Youth Apprenticeship Program (OYAP)

OYAP gives students the opportunity to register as an apprentice in a skilled trade while completing the requirements for a high school diploma. More than 900 students at HWDSB participated in an OYAP/Co-op placement that could lead to an apprenticeship career destination.

Each year, scholarship awards are given to the top OYAP graduate at each school. Let's honour the following students for their achievement.
