Tickets: Adults \$5.00 & 12 and under \$3.00.
Come and enjoy a tale as old as time!

Heart and Stroke

We are pleased to be taking part in the Heart and Stroke Jump Rope for Heart again this year. It is a fun event that gets our kids physically active and raises vital funds to reduce the devastating effects of heart disease and stroke.

This year we are planning our Jump for Heart Week beginning Monday, April 24. The activities will be held during gym classes. Jumping is a great way to get active and stay heart healthy.

Students are encouraged to raise funds for the Heart and Stroke Foundation, and in return they can earn thank you prizes for their individual efforts. Each student is given a collection envelope to raise pledges from family, friends and neighbours. All collection envelopes and donations are due Friday, April 28.

Pink Day is coming

April 12th is Pink Day which is a day where we all stand up against bullying. On Tuesday, April 11th it will be Pink Spirit Day, so please wear pink and bring a toonie.

On March 29th, there was a kick off assembly for grades 1-8 to introduce Professor Jamz. On April 12th, as a special activity Professor Jamz will be here at the school.

Talk to your children about bullying and its effects. If you know someone who is being bullied we encourage them to talk to an adult or they can call Kids Help Phone at 1-800-668-6868.

Interaction with a gentle and friendly animal has shown to help decrease anxiety, provide comfort, and build empathy skills. Periodically, Ms. Wiggins will be bringing her dog to school to provide the opportunity for students having difficulty to have controlled, supervised visits with a loving pet in a contained, calming environment.

Out-of-Catchment Students

Students who moved and have not received approval to attend Queen Mary through the out-of-catchment application process will be directed to their home school for September 2017.
