December 18, 2017

Dear Parents, Guardians and Caregivers,

As you know, in June 2014, HWDSB Trustees approved the closure of Beverly Central and Dr. John Seaton and the construction of a new school on the Beverly Community Centre property, off Hwy. 8 in Rockton.

The Junior Kindergarten to Grade 8 school, is part of a joint community project with the City of Hamilton, to meet the needs of students and the surrounding community.

In September, an updated was provided about the construction of the new school. Part of the design of the new school requires the widening of Hwy. 8 to include a left turning lane into the school. These plans are still with the Ministry of Transportation for approval. Once the plans are approved, we are hoping that we can get Site Plan Approval from the City of Hamilton quickly, so that construction of the new school can begin in the spring.

HWDSB is committed to this project and we anxiously await approvals. Once we have provincial and municipal approvals, we will hold a community meeting to update you on the project. Once construction begins, we expect it will take 12 - 16 months before we can move into the new school.

I want to thank all students and families for their continued patience and support. If you have any questions, please do not hesitate to contact the school at 905.628.9444.

Sincerely,

John Bradley
Principal
