PRINCIPAL'S MESSAGE

This month our grade 2-8 staff will be participating in professional development in the area of math. They will be learning about ways to identify student needs and new teaching strategies to address those needs. Our Kindergarten and grade one staff will continue their learning in the area of reading and how to use literacy based activities throughout the day.

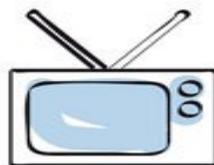

Many thanks to those families who attended our recent Meet the Teacher event. We enjoyed having you in our school and hope you found the evening enjoyable and informative!

Character Traits/Awards Assembly:

Queen Victoria will be hosting an awards assembly at 9:15am on the last Thursday of each month. We will be celebrating students that have demonstrated that month's designated character trait. Last week our grade one students introduced November's character trait of respect. We hope to catch lots of students showing respect this month at Queen Victoria!

Digital Announcement Board:

Next time you are in the school be sure to check out our new digital announcement board in the front foyer. Every week the board will be updated to show school life photos and important upcoming events. Special thanks to Miss McKenzie and Saeed in grade 7 for setting up the digital display!
