Principal's Report

Two main things to report:

EQAO results went home with the Grades 3 and 6s. The results will be posted on the school website. They are also available on the provincial website.

There is concern with the Grade 7s and 8s activities in the community during nutrition breaks. Students will now need a note if they want to leave school grounds during nutrition breaks.

Old Business Updates

Funds from school council to pay for coffee, etc... and child care was approved at \$100 per month (\$40 a month for snacks, \$60 a month for child care).

Lending Library - \$700 was spent last year on books for parents and teachers. These books can be found in the nutrition room. Titles will be cataloged and then posted on the website and sent out in the newsletter

New Business Update

Fundraisers

Discussed the possibility of getting a bus for a trip to Samko for parents on December 3rd

Holiday Bazaar was moved to December 10th

Pizza Kits will start in mid-February and run for about 10 days

A survey will be sent out to parents to help identify and narrow down key areas of concern
