Message from the Principals

Message from the Principal & Vice-Principal

Hello and Welcome to March! It seemed like February did not last very long, though to be fair it is the shortest month of the year. It was a great time to be Canadian, as our Olympic team came in third overall with 29 medals in many different sports. Thank you to class 3B for the Olympic Wrap Up, the middle school students who updated the medal board each day, and to all staff who challenged students in Physical Education or during DPA with modified Olympic games. Our indoor track team also received its fair share of medals during competition at the First Ontario Centre. Congratulations to all who participated.

The end of February and beginning of March is a busy time for students, as they are competing in the Oral Communications Festival and RAR Talks. Students discussed amazing topics over the last few days, and represented themselves and their classes in a positive and respectful manner. At home, ask your students about some of the speeches and the impact they had.

In March we are recognizing International Women's Day. Students and staff can write about the women in their lives who have been an inspiration to them. These will be posted in the halls for everyone to see.

We will also be beginning our Buddy Bench/Active Recess Program after March Break. Student-Leaders will be around to classes to explain how the bench will work, and where to go to participate in games and activities at nutrition breaks. Please get involved and have some fun, and if you have any ideas about how to make the program better, please let us know.

Have a safe and Happy March Break too!
