

## Rousseau Holiday Gift Drive!

From Wed. Dec. 6 to Wed. Dec. 13

As in previous years, Rousseau would like to do their part in supporting families in need this time of year. We will work in partnership with **Ancaster Community Services** to contribute to their annual **Holiday Assistance Program**. Here is an excerpt from the ACS website:

*Our Holiday Assistance Program 2017 is in full effect and we are now looking for donors to help. This year, we are anticipating over 100 families to register, and wish to ensure that all will be accommodated. Help your Ancaster neighbours have a happy and peaceful holiday season by donating.*

After consulting the website, and in an effort to cover the bases and address a variety of the needs, classes have been assigned a particular category. Our Holiday Gift Drive will start this **Wednesday Dec. 6** and end **next Wednesday, Dec.13**, so there is time for ACS to make deliveries.

Students from ELP2 will come and collect donated items daily and have them ready for pickup on the 13<sup>th</sup>!
