

The Hamilton-Wentworth District School Board

EXECUTIVE REPORT TO BOARD

DATE: December 8, 2008

TO: Dr. Chris Spence, Director of Education and Secretary

FROM: Don Grant, Superintendent of Business and Treasurer
Lucy Veerman, Manager of Budget

RE: **2008/2009 Average Class Size Report - Elementary**

Action **Monitoring** **Information**

Rationale/Benefits:

Key Statistics HWDSB:

	2003/04	2004/05	2005/06	2006/07	2007-08	2008-09
% of Primary Classes 20 and under	26.9%	34.4%	40.7%	61.63%	91.7%	91.1%
% of Primary Classes 23 and under	64.5%	73.3%	79.6%	90.77%	100.0%	99.9%
Average Primary Class Size	22.69	21.87	21.19	19.85	18.23	18.57
Average Jr/Int (gr 4-8) Class Size	25.7	25.4	25.0	25.27	25.5	25.6

The Primary Class Size report filed with the Ministry indicates that 90% of HWDSB primary classes have 20 or fewer students; 99.9% of primary classes have 23 or fewer students. As of October 31, 2008, one primary class had 24 students pending placement of 2 students in a Care/Treatment Facility. The overall elementary average class size is 21.47.

Background:

Class size legislation was first introduced in 1997. The legislation established a maximum average class size for elementary schools and secondary schools. In June 2000, as part of the *Education Accountability Act*, the legislated elementary (i.e. JK-Grade 8) class size maximums were reduced to 24.5. Boards were also required to ensure that the maximum average class size in the primary division (i.e. JK-Grade 3) did not exceed 24.

In 2004/2005 the Ministry allocated funding for Primary Class Size Reduction as a first step towards the implementation of a cap of 20 students in primary (JK-Grade 3) classes. Additional funding was provided in 2005/06, 2006/07, 2007/08 and 2008/09. The 2008/09 year is the 5th year in which the cap on class size in the primary division is being implemented.

The Ministry expectation is that all school boards will be fully compliant with the Primary class cap in 2008/09. Full compliance with the class cap means that 90% of primary classes will have 20 or fewer students and up to 10% of primary classes may have up to 23 students.

The Ministry also expects that improvement in class size in the primary division will not cause a negative impact on class size in Grades 4 to 8. The 2003/04 year is considered the base year for reference purposes (the year prior to PCS reduction funding being provided).
