

Good morning Sharon

Theatre Ancaster is a community partner with HWDSB, and its founding members and many present personnel have been long involved with education, Ancaster High, The Theatre Auditorium and the community. We have information to present to the committee that we believe is important to your deliberations.

We are enclosing a letter to you, a full report, and a one page summary of the report. Can you please provide copies to other committee members for whom we don't have immediate e-mail information.

If you need clarification or further information about the letter or report, please contact one of Theatre Ancaster's founding directors.

Al Croxall...905-648-0453 or 905-541-1620.

Ralf Hakenberg...905-648-7480.

Gord Conroy....905-648-6786. For the next few days, I will only be able to be reached at 705-635-1359.

Theatre Ancaster would be pleased to address the ARC West Committee at Highland Secondary on Jan 17, 2012 at 6:00 p.m.

Thank you for your consideration of our report.
