

Secondary Pupil Accommodation Review Committee

**Preliminary Concept Options
Prepared by the South ARC**

South ARC Working Group Meeting #7
September 7, 2011

Question:

What is your proposed accommodation
strategy for the South ARC schools?

Preliminary Concept Options Prepared by the South ARC

1. Relocate Mountain students to Westmount and move the self-space program to another school
2. Close Sir Allan MacNab and relocate a portion of the students to Ancaster High (West ARC)
3. Relocate Mountain program to Sherwood to serve the entire city
4. Close Barton and Hill Park and construct a new school in a central location south of the Lincoln Alexander Parkway
5. Keep Sherwood open and bus students in from Delta Secondary School (South ARC)
6. Phase in Sherwood students to Barton and change the timing of the school closure

Preliminary Concept Options Prepared by the South ARC

7. Relocate grade 7 and 8 students into secondary schools to increase utilization.
 - The Early Learning Program will require additional space at the elementary schools
 - Eliminates the need for portables at the elementary schools
8. Relocate off-site classrooms back into the schools to increase utilization
 - Create a community hub
9. No change and address the outstanding renewal needs at each of the schools

Preliminary Concept Options Prepared by the South ARC

10. Combine Mountain and Parkview students and create a “school within a school” at Barton
 - Combine Mountain and Parkview programs in one centrally located school
11. Construct a replacement school on the Sherwood site
